## Work Experience

---

Senior Park Aide – Interpreter <i>California State Parks - San Diego Coast District</i>	June 2025 – Current 30 hours/week
Conduct interpretive programs for diverse audiences, including hikes and Junior Ranger activities, to enhance public understanding of natural and cultural resources. Create educational materials that improve visitor engagement and content for interpretive signage and events. Educate visitors on local fauna, flora, and conservation strategies. Support environmental monitoring with precise record-keeping for Swami's State Marine Conservation Area.	
<b>Seasonal Park Aide</b>	April 2025 – June 2025
<i>California State Parks - San Diego Coast District</i>	30 hours/week
Supported daily operations at California State beaches through visitor engagement and campground management enhancing the visitor experience. Conducted routine foot and vehicle patrols, provided information on park rules and ocean safety, and managed fee collection. Assisted Environmental Scientist team with grunion run monitoring by collecting GPS data and recording environmental conditions for accurate analysis.	
<b>Staff Shuttle Driver</b>	September 2023 - January 2025
<i>Cal Poly Humboldt - Arcata, CA</i>	40 hours/week
Delivered safe, timely transportation for students, including those with mobility disabilities. Maintained vehicles, recorded mileage, and trained new drivers. Adhered to safety protocols while managing diverse campus conditions. Demonstrated effective time management and communication skills by leading multiple drivers.	
<b>Seasonal Park Aide</b>	June 2022 - February 2024
<i>California State Parks – Colorado Desert District</i>	30 hours/week
Oversaw kiosk operations, conducted campground inspections, and performed park patrols. Provided information on wildlife, hiking, and safety for visitors. Collected fees and maintained accurate records. Enhanced visitor experiences through effective communication.	
<b>Research Assistant</b>	September 2021 - August 2022
<i>Azusa Pacific University School of Nursing - Azusa, CA</i>	30 hours/week
Oversaw research activities for multiple faculty-led projects. Conducted comprehensive literature reviews and organized consent forms. Managed data and maintained research materials for clinical trials. Facilitated data entry and coordinated nursing research initiatives. Organized and created multiple poster presentations for conferences.	
<b>Lead Guest Ambassador</b>	June 2018 - July 2021
<i>San Diego Zoo Wildlife Alliance - Escondido, CA</i>	30 hours/week
Oversaw guest services team, addressing visitor concerns effectively. Triaged issues and managed entry operations to ensure seamless guest experiences. Collaborated with supervisors to uphold exceptional guest service standards.
